Pricing and Terms

Prices are subject to change without notice. Please confirm current pricing at the time of your order. Payment must be in U.S. dollars. Terms are net 30 days. Thereafter, a carrying charge of 1.5% per month will be added to the unpaid balance.

Equipment Warranty:

All repair covered by this warranty must be done at Company's factory unless Company specifically directs that this service be performed at another location. Any defect corrected within six months and found to be within this scope of the warranty will be repaired by Company and all charges for labor and material will be borne by Company. If it is determined that either no fault exists in Company, or the damage to be repaired was caused by negligence of customer, its agents, employees or customers, customer agrees to pay all charges associated with each such repair.

What is not covered? (Exclusions)

Normal Wear and Tear: Periodic maintenance, repair and replacement of parts due to normal wear and tear are excluded from coverage.

Abuse & Misuse: Defects or damage that result from: (a) improper operation, storage, misuse or abuse, accident or neglect, such as physical damage (cracks, scratches, etc.) to the surface of the product resulting from misuse; (b) contact with liquid, water, rain, extreme humidity or heavy perspiration, sand, dirt or the like, extreme heat, or food; or (c) other acts which are not the fault of Real Time Automation, Inc, are excluded from coverage.

Unauthorized Service or Modification: Defects or damages resulting from service, testing, adjustment, installation, maintenance, alteration, including without limitation, software changes, or modification in any way by someone other than Real Time Automation, or its authorized service centers, are excluded from coverage.

Altered Products: Products or Accessories with (a) serial numbers or date tags that have been removed, altered or obliterated; (b) mismatched board serial numbers.

Who is covered?

This warranty extends only to the first consumer purchaser, and is not transferable.

What will Real Time Automation, Inc. Do?

Real Time Automation, at its option, will at no charge repair, replace or refund the purchase price of any Products, Accessories or Software that does not conform to this warranty. We may use functionally equivalent reconditioned/refurbished/pre-owned or new Products, Accessories or parts. No data, software or applications added to your Product, Accessory or Software will be reinstalled. To avoid losing such data, software and applications please create a back up prior to requesting service.

How to Obtain Warranty Service or Other Information?

To obtain service or information, please call:

Real Time Automation Customer Services 1-800-249-1612

You will receive instructions on how to ship the Products, Accessories or Software, at your expense, to a Real Time Automation Repair Center. To obtain service, you must include: (a) a copy of your PO, complete RMA form found at <http://www.rtaautomation.com/returns/> (b) a written description of the problem; (c) the name and location of the installation facility (if applicable) and, most importantly; (d) your address and telephone number.
